

## **INSTALLATION INSTRUCTIONS**

FRONT BUMPER PART #15200 1976-2001 JEEP CJ/ YJ/ WRANGLER 2/4WD

## **PARTS LIST**

(1) FRONT BUMPER

## **PROCEDURE**

- 1. If vehicle is equipped with a stock front bumper, remove using a size 55 star socket.
- 2. Place Front Bumper over vehicles frame rails, as shown in figure 1.2, and secure using the same factory bolts and washers. Hand tighten.
- 3. Adjust Front Bumper so that it is centered on the vehicle and tighten all hardware to complete installation.
