EURO MOUNT®

ADVANTAGES OF THE EURO MOUNT®

If you are looking for a simple, maintenance-free 1 1/4" ball mount option, the Euro Mount® is the perfect choice. With the Euro Mount®, there are fewer installation requirements, making it even easier to choose the correct 1 1/4" ball mount for your towing needs.

No tools required, no torque specifications

Includes 1 7/8" or 2" trailer ball, no need to purchase one separately

Easy installation, simply insert the pin & clip, and you are ready to tow

Sleek, modern look, similar to popular European designs

Each Euro Mount® was designed to replace a common, old-style ball mount, making trailer ball installation unnecessary

The comparisons below illustrate each Euro Mount® replacing a common, old-style ball mount

45571 Euro Mount® and 45521 old-style
