ASSEMBLY

⚠ CAUTION

Display holds up to 6 ball mounts. Generally, wider and heavier products should be mounted closest to the ground.

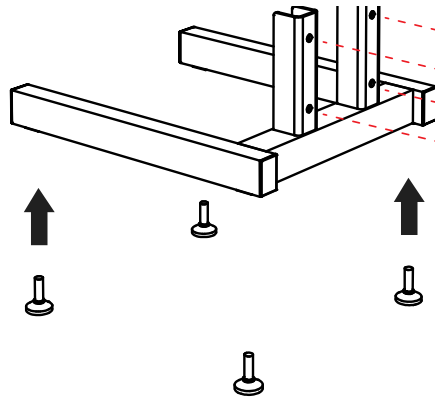

Make sure each ball mount is secured with a heavy duty pin (provided with product).

Care must be taken to avoid damage or injury. Do not overload display.

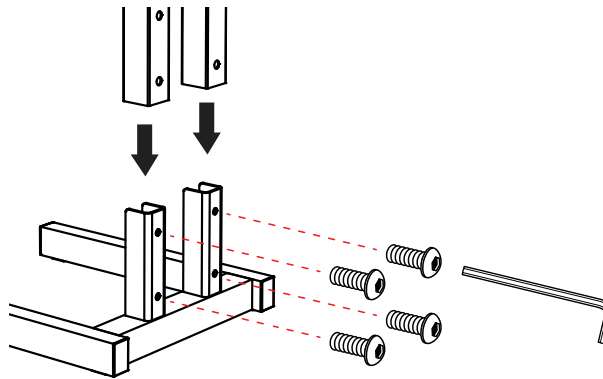

Step 1

Install four levelers (#3) to the underside of the base (#1).

Step 2

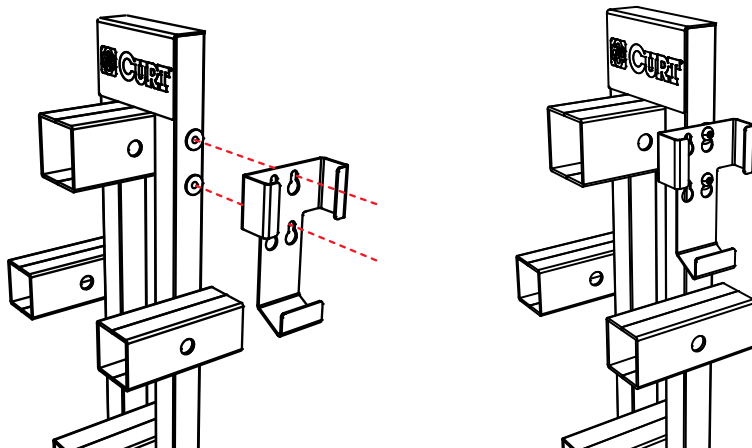

Install the upright (#2) to the base (#1).
Next, use the allen wrench (#5)
to install four screws (#4) through
the back side of the upright.

ACCESSORY ATTACHMENT

Step 1

The side threaded holes on the upright (#2) are
to be used to secure accessories such as the
tri-fold brochure holder (ordered separately).
